

Inauguration of BAMOS-NCS

Inauguration of BAMOS-NCS(BAMOS is a Butterflies and Moth of Sikkim Nature Conservation Foundation) office at Yuksam, West Sikkim

Recently registered NGO, BAMOS - NCS has formally opened its main office at Yuksam through the hands of Dr. Sonam R Lepcha, Sub-Divisional Magistrate of Yuksam, in the presence of Zilla Member of Yuksam, Shri Buddha Hang Subba, Panchayat Members of Yuksam GPU. The program was attended by Members of Kanchendzonga Conservation Committee, Yuksam Tourism Development Committee, various government officials, butterfly enthusiasts and netizens of Yuksam. The program was graced by BAMOS-NCS' mentor Mrs. Usha Lachungpa, retd. Principal Research Officer of Sikkim Biodiversity Board, Forest Deptt.

Addressing the occasion, chief guest, Dr. Sonam R Lepcha congratulated BAMOS-NCS for being the forerunners in the field of butterfly research and conservation and gave valuable suggestions about integrating various fields of study for nature conservation. Further he assured every possible help from his side for future works of BAMOS-NCS.
